## Forum to help gallery viability

EAST Devon District Council (EDDC) will form an arts and culture forum to “significantly improve” the viability of Thelma Hulbert Gallery in Honiton.

The decision follows a report by EDDC's Arts

By Anders Larsson  
anders@pemedial.co.uk

and Culture Task and Finish Forum (TAFF), which found that there is an immediate need for a

fundamental review of the gallery's business plan and sales and marketing strategy.

Thelma Hulbert Gallery is owned and managed by EDDC, and curator Angela Blackwell and her team have been praised for regularly putting on high quality exhibitions.

But the gallery is not financially self-sustaining.

A report for EDDC's cabinet meeting on Wednesday, September 5th explained: “Attention needs to be drawn to the current budget provision for Thelma Hulbert Gallery.

“The budget of £115,323 for 2012/13 was increased 45.4 per cent from the budget of £52,460 for 2011/12 to account for the shortfall in funding and income.

“The national acclaim of the gallery was welcomed and appreciated.

“However, a focus is now needed to start making the gallery more financially viable and ultimately self-sustaining.”

As previously reported, an EDDC report revealed

that the projected audience figure for 2011/12 was 14,000 – but only came to about 6,000.

EDDC cabinet members resolved to ask EDDC's Environment Think Tank to determine membership and remit of an Arts and Culture Forum, which will focus on how to significantly improve the viability of the gallery.

Cabinet members also said they expect to receive the first report in November.

### Police name girl, 5, killed at steam fair as Tayla Saunders from Honiton

POLICE have confirmed that the five-year-old girl who died at a steam fair in Cornwall was Tayla Saunders from Honiton.

The tragedy happened at approximately 11.40am on Saturday, September 8th at Lanlivery Steam Fair, near Lostwithiel, Cornwall.

She was struck by a slow-moving vehicle, and a police spokesperson said: “The child was treated by paramedics at the scene within a minute of the incident occurring.

“She was flown to Derriford Hospital where she later died.

“CPR was being undertaken at the point the air ambulance lifted from the scene.

“Local police attended, later being joined by officers from the Bodmin Serious Collisions Investigation Unit, who will conduct a full investigation into the incident.

“The child was with her foster parents who live in Devon.”

A force spokesperson later confirmed that the foster parents live in Honiton.

The two-day show continued with their agreement.

## Quotes of the week...

"IT IS with shock and regret we hear about the resignation of governors. We, as concerned parents, only want what is best for our children - and that is Mrs Hollidge's return to the school. We are deeply saddened that the governors felt the changes they enforced were in the best interests of everyone at the school'

*Andrew Stuckey, chairman of the All Saints School Concerned parents Group, on hearing that all the school governors had resigned after hearing that suspended headteacher Christine Hollidge had been cleared to return to her job.*

"POLICE are managing to keep crime down. We have two good local policemen with good contacts. I hope it continues.'

*Andrew Parr, chairman of Colyton Parish Council, on the news that no crimes were reported in Colyton during the month of August.*

"THIS has been an innovative investment that has been totally instigated by the League of Friends. To invest in an area that benefits the hospital, not only in reduced costs but the environmental impact of the site on the local community, is extremely forward thinking.'

*Northern Devon Healthcare NHS Trust deputy estates manager Bob Lowe on the £27,000 raised by Seaton Hospital League of Friends to provide Seaton Hospital with solar PV panels.*

## Sport

## Tigers putting faith in local talent

IS it possible to compete to a high level in the top league in this area - the South West Peninsular Division One - with predominantly local talent?

This could well be a question that Axminster Town's new manager Paul Ashford is asking himself after Saturday's gritty victory at Appledore to climb several table places to fourth position.

Last season the Tigers struggled at this level, despite having several non-local players, finishing in the bottom two with just seven points all season.

With five matches of the new campaign under their belt, the Carpetmen find themselves in the upper reaches of Division 1 with ten points already on the board.

And they've done it with more local talent than in recent seasons. But will it last?

It was a very different looking line up at Marshford compared to the team that beat Plymstock at home the previous week.

## AXMINSTER

### Village school governors resign

**A NEW** governing body has been appointed to run All Saints Primary School after a shock resignation by all previous governors.

The resignation came after an investigation apparently cleared the way for previously suspended headteacher Christine Hollidge to return.

All Saints Primary School has been under temporary headship since November 11th last year.

The official line at the time was that Mrs Hollidge was off sick. But Devon County Council (DCC) later announced she had been suspended in June after being signed off from sick leave.

Supporters of Mrs Hollidge started a concerned parents' group and hosted a number of public meetings because they claimed to have been kept in the dark.

The resignation of governors came in a statement issued on September 4th. It was signed by The Governing Body of All Saints CE Primary School and said: "The governors do not have confidence in Mrs Hollidge in light of the outcome of an investigation into Mrs Hollidge's conduct. The governors do not feel that they can morally participate in any process that could result in Mrs Hollidge's return."

A joint statement by DCC Head of Education, Sue Clarke, and the Exeter Diocesan Director of Education, Philip Mantell, confirmed the resignation of the governors and said: "In the interests of continuity, we have already begun the process of appointing a new governing body and can confirm that Martin O'Mahony remains as acting head teacher."

## COLYTON

### Safest town in Devon

**COLYTON** could lay claim to being the safest town in Devon after August passed without a single crime being reported to police - and the trend continues.

The extremely peaceful month is the first without a reported crime for several years.

The good news was announced when PC Steve Speariett circulated monthly statistics.

In an accompanying press statement PC Speariett said: "Colyton has recorded the first ever crime-free month since at least 2004. I would like to personally thank the community and the youth of Colyton in making this achievement."

In August last year, there were eight reported crimes on the Colyton beat.

## From the editor's chair Happy carnival days

**IN** last week's **Editor At Large** column I wrote about the start of the East Devon carnival, season and mentioned the tremendous work that goes into organising such events.

The carnival scene is really one big family with the same familiar faces having been connected with their own town carnivals for many years. They are usually a jolly bunch, unless you disturb them five minutes before the procession is about to move off!

Having spent ten years as a young man organising my home town carnival and then being part of a group which revived Sidmouth Carnival in the 1980s, it's always good to bump into stalwarts who are still committing virtually every Saturday from September to Christmas on the carnival circuit.

One such man is Terry Clarke who has been part of the carnival scene in East Devon for many years and who, with his wife Jean, took over the running of Sidmouth Carnival from the ebullient Stuart Hughes a couple of years ago. I popped over to Sid-

mouth on Friday evening to cover the crowning of the Carnival Queen and as soon as I walked into the Balfour Arms beer garden Terry came marching towards me with a hand outstretched.

Terry told me that he and Jean will be celebrating their golden wedding anniversary next Saturday which means they will miss Axminster Carnival as they are having a family party.

I am sure that everyone out there in carnival-land will wish them a happy occasion.

♦ **WITH** our Sidmouth reporter Laura Goldsbury-Noy on a deserved week's holiday I also had to pop over to Sidbury on Sunday morning to cover the start of their annual Fair Week.

It looked as the whole village had turned out for their 14th fun run and walk, started by committee chairman Sir John Cave.

Allowing walkers to take part in the event is a great idea as it involves all age groups, generating tremendous village spirit.

## SEATON

### Solar panels saving energy at hospital

**SEATON** Community Hospital has taken a leading step towards curbing its environmental impact.

The hospital's League of Friends has become the first in the 18 hospitals managed by the Northern Devon Healthcare NHS Trust to fund the installation of solar PV panels.

The Friends agreed to pay the installation costs of £27,000 helping to significantly reduce the hospital's electrical consumption and carbon footprint.

Any incentive payments received from the government will now be split 50-50 between the NHS Trust and the League of Friends.

Deputy estates manager, Bob Lowe, who has led the project for the trust, said: "This is an innovative investment that has been totally instigated and driven by the League of Friends."

## OTTERY St MARY Appeal in town

**A DEVELOPER'S** planning appeal inquiry will be heard in Ottery St Mary. Redrow Homes South West has lodged an appeal after its outline planning application for up to 130 dwellings east of Butts Road in Ottery was turned down.

The initial venue for the inquiry was Exmouth Town Hall, but East Devon District Council (EDDC) has since confirmed that the event has been switched to Ottery Cricket Club on November 27th.

## SIDMOUTH

### Knowle opposition

**PRESSURE** groups are gearing up their fight against East Devon District Council's (EDDC) proposal to leave Knowle and develop the site.

The last week has seen on-site protests and collections of petition signatures in the town centre.

A full house is expected when Sidmouth Town Council's planning committee meet to decide its recommendation for the application tomorrow (Wednesday) at 6.30pm in The Methodist Church Hall.

## HONITON

### Gallery under threat

The decision follows a report by EDDC's Arts and Culture Task and Finish Forum (TAFF), which found that there is an immediate need for a fundamental review of the gallery's business plan and sales and marketing strategy.

In the inaugural singles league competition D Evans defeated L Ley by 100-70.

# Three times the celebration

THREE East Devon-based organisations have reason to celebrate after receiving cheques from Honiton Hill Rally.

The lucky organisations are Membury Pre-School, The Folly Nursery in Dalwood and Monday Monkeys in Axminster - each receiving £250.

Membury Pre-School chairman Lynette Burroughs said: "We would like to say a big thank you to Honiton Hill Rally for the generous donation."

"We are hoping to put the money towards some new equipment and bikes to use in the playground and use on our all-weather pitch at the school."

The manager and director of The Folly Nursery, Helen Freeman, was equally happy and said: "Due to our increasing numbers, we are putting the money towards kitting out our new pre-school area for our

Much to his amazement that is exactly what he had won, a year's free hairdressing at House of Hair in Honiton.

# New shirts for a new-look club

MEMBERS of Honiton Bowling Club were beaming when they unveiled their new shirts following sponsorship from Honiton Hearing Centre.

The club have been looking to replace their shirts for quite some time, and were looking to modernise their outfits from the regular white tees to something more recognisable.

With nearly 250 members, those running the club looked for sponsors and Colin and Sam Eaton of the Honiton Hearing Centre were happy to support the cause.

The brand new shirts bear a completely new logo, and burgundy and yellow strips, which will stand out to spectators during the game and all the members, are pleased to finally take on a more modern image.

Chairman of Honiton Bowling Club, Keith Parson, explained: "We have needed new shirts for a long time and

we are so grateful to Colin and Sam at the Honiton Hearing Centre for supporting us and funding the new club uniform.

"With the updates to our clubhouse and bowling areas, it has meant that the club's image has also taken a modern turn and it is great to update our look overall and move into the 21st century.

"When the group were all dressed in white, it was difficult to recognise them during matches but now we can be seen by spectators and take pride in our unified image as a team."

Colin Eaton of the Honiton Hearing Centre added: "We are so very pleased to support Honiton Bowling Club.

"It is a fantastic club which has really improved over the past few years and is at the heart of the community so we are glad to sponsor them and their new shirts."

The bowling club on Bowling Green

Lane off Streamers Meadow has been going from strength to strength after a number of improvements were made.

As well as a seven-rink outdoor green and a four-rink indoor green, which has recently been enhanced, the club recently fitted a brand-new kitchen – perfect for functions – as well as gaining an entertainments licence.

The club prides itself on its friendliness and welcomes new members of all ages, boasting a popular club for under 18s and inviting those of all abilities to join and play.

## Kirstie's bike challenge

A HONITON woman, who underwent a double lung transplant, set off on a 180-mile charity bike ride last Friday, September 7th.

Kirstie Tancock, 22, was diagnosed with cystic fibrosis at birth, and her condition deteriorated so much that she spent most of last year fighting for her life.

In March 2011 she was placed on the waiting list for a transplant and by June Kirstie was so critically ill that a machine had to do the work of her heart and lungs.

Kirstie had her life-saving double lung transplant in July 2011 and, a year on, is fit and well.

In fact, she is so fit that she has embarked on a bike ride challenge from Exeter to the doors of Harefield Hospital in Uxbridge, where her transplant took place and her new life began.

Friends, family and members of the hospital teams that looked after her are also taking part.

They set off on Friday, September 7th and were hoping to reach their destination in three days.

She said: "My consultant is a keen cyclist and we were chatting in clinic about his latest cycle ride. I agreed that after my transplant, I would cycle from Exeter to Harefield with him.

"Everyone was quick to remind me of my promise. I have been on the bike machine in the gym, building up my stamina but I have such thin

legs from years of malnutrition that I'm finding it very hard to build muscle.

"This challenge was a huge incentive to get fit, as I knew I had a mammoth task to undertake. I can't believe how my life has changed; the biggest trips I planned before transplant were trips to park with oxygen and a wheelchair.

"Now I have a new set of wheels and I'm using them to get all the way from Exeter to London. I never actually dreamed it would all be possible."

Kirstie is raising funds for three charities very close to her heart; Live Life Then Give Life, The Cystic Fibrosis Trust, and the Royal Brompton and Harefield Trust.

She said: "By doing this bike ride I'm hoping to raise valuable funds and awareness so everyone can receive the same fantastic standard of care that I did, and that hopefully one day no one will have to wait in doubt for their call to come and their new life to begin."

You can sponsor Kirstie at <http://uk.virgin-moneygiving.com/team/kirstiesbigbreathbike>.

Our weekly activities programme includes gardening, live music, drama, singing, crafts, a pub quiz, rambling, art, and trips out, as well as individual occupational activities.

**So, moving into a home like Rose Lodge is the perfect way for you to give your loved one the best quality of life.** In our 2011 relatives survey, all relatives agreed that Rose Lodge offers an excellent quality of care and that their loved one's wellbeing has improved significantly since they joined Rose Lodge. # Youngsters shine in Carnival Showtime

WITH only a week to write and rehearse their very own musical, members of the Colyton Theatre Group Summer School stole the show at this year's Carnival Showtime, presented before a packed audience in the Town Hall as part of the annual carnival celebrations.

The youngsters brought the Charles Dickens' classic "Great Expectations" bang up to date with an X-Factor theme, the show being redubbed "Great

Xpectations", ending with a brilliantly staged talent show which included hilarious impersonations of Simon Cowell, Louis Walsh and Cheryl Cole.

The Colyton Theatre Summer School is an annual event to promote the appreciation of drama, music and dance for the young people of Colyton.

For this production, the students produced their

own show, writing, choreography and making of props, under the supervision of Sandra Henderson.

Taking part were Jessica Barrett, Sam Ford, Matilda Dare, Courtney Hartnell, Lucia Hofstetter, Eloise Mitchell-Bond, Chloe Ogden, Alice Price, Jack Price, Cai Sutherland, Joe Sutherland, Thomas Sutherland, and Beth Wood.

Pam Cowell was the mu-

sical director with choreography by Jessica Barrett and sound by Justin Sutherland. Wendy Cann organised the chaperones.

The second half of the Carnival Showtime featured members of the Colyton Theatre Group in their own "On Tour" production revolving around a group of entertainers who arrive at Colyton Town Hall for auditions and rehearsals for their travelling show.

## Dedication

Directed by Lyn Henley and Roger Bagg, the show was dedicated to the memory of the late Alan Godfrey, a past chairman.

As always, the clever script was peppered with local references and jokes, much appreciated by the audience.

Included in the company were Wendy Cann, Jackie Carr, Sue Chaplyn, Lyn Henley, Sandra Henson, Karen Pledger, Jackie Roberts-Wake, Margot Sharp, Elaine Stratford, Dawn Spiller, Jeannette Sutherland, Jean Underdown, Roger Bagg, Drewe Henly, Hannen Sitton and

Justin Sutherland.

Musical accompaniment was provided by Pam Cowell (piano), Clive Wormleighton (percussion) and Michael Bond (bass).

The production team: Hilary Briers (stage manager); Hilary Briers and Maxim Mason (lighting); Wendy Cann and Margot Sharp (wardrobe); David Clarke (poster illustration); Roger Bagg (programme); Pam Cowell (rehearsal pianist); Jo Stratford (choreography); Tish Wells and CTG members (front of house).

Colyton Theatre Group's next production will be their Christmas pantomime, "Wick Dittington" which will be performed at the Town Hall between December 12th and 15th.

Anyone interested in participating should contact Jane Dickson on 01297 553863.

Colyton Theatre Group wish to thank all local businesses who supported Carnival Showtime.

# Sidmouth Carnival – Saturday 22nd September

It's carnival time again and we find the answer to the question we've been asking all year: 'Why do we do it?' "After all the hassle, chasing around, form filling and begging, the first carnival of the season ar-

rives, we meet other like-minded people some of whom we have not seen for 12 months, and the atmosphere starts to build. "This year's carnival may have one or two less entries, possibly for financial reasons, but we

have found extra entries from further away. So far entries have come from as far away as South Brent and Ilminster.

"To try to balance the line-up we have booked two groups of majorettes.

"The procession will leave Woolbrook Road at 7.30pm sharp, travelling through the town and along the seafront to finish in All Saints Road.

"Entry forms are available on 01395 568815. For anyone wishing to enter at the last minute we will accept entries right up until lunchtime on Carnival Day.

"Once again Anderton and Rowlands fair will be operating on the Ham from Wednesday September 9th. Please avoid parking on any part of the route – a fine for illegal parking would spoil your evening.

"If you enjoy our show please let us know by helping to fill our collecting buckets."

## Pulman's View from the churches

With NIGEL SPELLER

RAY Hunter writes from Axminster following the Reverend John Streeting's comments a couple of weeks ago about the achievements of our exceptional Olympians. He said: "Now we have our very exceptional Paralympians from world wide who are completely stunning us with some thrilling performances."

"This summer of Olympic sporting events has given us all a wonderful example, and something to spur us on to be the best that we can be, in sport and in life."

"In the words of the Apostle Paul to the Colossians, 'Whatever you do, work at it with all your heart, as working for the Lord and not for men, since you know that you will receive an inheritance from the Lord as a reward.' Paul wanted those he cared for, to do and be the very best they could, in this life both physical and spiritual, as working for the Lord and not for men, since in their heart, dedication and commitment is a wonderful example to us all, and something to spur us on to be the best that we can be."

The annual fundraiser for Anglican Churches took place at the beginning of September under the apt title Ride and Stride when money raised by each visiting volunteer is split between their nominated church and the county church trust which allocates money for places of worship usually in the region of £1.5 million.

The major events of the year – the Olympic and Paralympics Games are now over and as well as a special hymn for the events, the Church of England also released a special prayer which can be found at [www.olympics.churchofengland.org](http://www.olympics.churchofengland.org).

So, we turn to forthcoming events; to come is a Pilgrimage to the Holy Land led by the Bishop of Exeter from November 6th to 15th – enquiries to [fr.tim@sky.com](mailto:fr.tim@sky.com).

The next weeks also see the farewell to the present Bishop of Crediton marked by a Service in Exeter Cathedral on October 6th at 3pm.

Events in Honiton Deanery include Showtime at Yarcombe Church from 10.30am-5pm 14-16 Sep, with a concert on Sunday at 7.30pm.

Exeter Diocese announce that they have a new youth work adviser called Paul Reisbach who joined the Diocese on Monday, September 3rd.

To contact him email [paul.reisbach@exeter.anglican.org](mailto:paul.reisbach@exeter.anglican.org).

# Brewery scoops top award from Good Pub Guide 2013

By Anders Larsson  
[anders@pemedial.co.uk](mailto:anders@pemedial.co.uk)

OTTER Brewery in Lup-pitt, near Honiton, has been named Brewery of the Year 2013 by The Good Pub Guide.

In awarding the accolade, guide editors Alisdair Aird and Fiona Stapley commented: "There is a rich variety of beers brewed in the UK, from one-man operations through regional favourites to international giants."

"It was over 20 years ago down in Devon that we first came across a nicely named new beer called Otter – and can still remember that first taste."

"With a well balanced range of several varieties, all brewed using water from their own spring, the Otter Brewery is now one of the West Country's most successful breweries."

"They have managed to keep the price of a pint

below many other real ale choices in a high proportion of Main Entry pubs."

Patrick McCaig, the son of Mary Ann and David who started the business in 1990, and the brewery's marketing manager added: "As a brewery we pride ourselves on our beer and service to our customers."

"As a company we do our best to support the on trade, as it is our most important route to market for cask ale."

"We believe pubs should be an essential part of community, so to be recognised in this field gives us tremendous pleasure and endorses how we really want to keep pubs alive and kicking."

The award caps a busy summer for the brewery, which has seen its beers sold during the Olympics in Hyde Park and at six

■ TRIUMPH: Patrick, Mary Ann and David McCaig

national music festivals, culminating with Beautiful Days Festival.

The brewery employs 30 people from the local community and supplies

cask conditioned beer to pubs, restaurants and retail operations across Southern England.

Otter Brewery was named South West Pro-

ducer of the Year by Taste of the West in 2010, was a finalist in the 2010 National Business Awards in recognition of its Corporate Responsibility policy

and most recently won the Best Sustainability category at the 2011 SIBA Business Awards in November.

## Hundreds of swallows assemble

DESPITE the sad fact that this year we were bereft of swallows nesting in the barn, the first time for years, it would seem that that other hosts have been more fortunate for, over the past week or so, literally hundreds of young swallows have been assembling in my area, to sit like musical notes on telegraph wires and soar and swoop for insect life.

These assemblies are a precursor to their amazing long-haul flights to Southern Africa and the warmth of another summer.

Butterflies and bees have also been taking advantage of what appears to be the start of an Indian Summer and, at last, the harvest has managed to get under way.

I cannot recall when last the combines were only brought into use in early September. What a dreadful summer this has been and one to be forgotten as soon as possible.

Talking of bees, I mentioned a short while ago that a correspondent, Jane Hopkins, had discovered a colony of bumble bees nesting in a bird box.

However, two weeks ago, she writes, the bees stopped entering the box and, curious to know what had happened, Jane opened the bird box only to discover the nest sodden with rain and covered in dead bees. She is now going to make the box waterproof in the hope that the bees will return to it next year.

As I mentioned above, there seems to be a late flourish of bees, bumblebees and various hover flies seeking sustenance from the late flowers, while dozens of small white caterpillars are munching their way through trailing nasturtiums at an amazing rate.

Many gardeners destroy the "cabbage whites" for the damage they do to greens, but as all butterflies are now in severe decline I prefer to let them get on with it. Many of these caterpillars will, in any case, become tasty meals for garden birds.

On a wider front I note that Devon Wildlife Trust is running a free open day on September 15th to allow people to explore Bovey Heathfield Local Nature Reserve, with its wonderful and rare heathland.

The event takes place from 11am until 4pm and celebrates 10 years of DWT management of this reserve. The event offers a "behind the scenes" look at lowland heath, a landscape which has vanished from much of the countryside in recent decades.

## country scene

Written by countryside correspondent  
**TONY JACKSON**

There will be guided walks and also plenty of activities for children, plus a tea and cake stall.

Anyone wishing to go on a walk should book in advance on 01392 279244. Bovey Heathfield Local Nature Reserve is located in Heathfield Industrial Estate, postcode TQ12 6TU.

Meanwhile the Dorset Wildlife Trust is having a beach bat survey on Friday, September 14th. The idea is to focus on bats feeding on the strandline at Osmington Mills beach, near Weymouth and to discover something of the wildlife spectacle which erupts on the beaches when darkness falls and insects and mammals take advantage of the seaweed and shellfish washed in by the tide.

The strandline which ranges from the high water mark to the shallows, although sometimes mechanically removed because visitors find it smelly, is extremely important for all manner of wildlife, including rare beetles and bugs, not to mention the birds and mammals which prey on them.

So, if you fancy the chance to investigate this little known scene and, perhaps watch bats at dusk from 7.30pm to 9pm on Osmington Mills beach, this is your chance. Call 01929 481044 for further information.

Oh, and don't forget your wellies!

**W**ho does not want to look beautiful! We spend time, energy and money in an attempt to look our best, in the process emulating the near perfect pictures that crowd tabloid and magazine pages! It may not be easy to look beautiful, but you can follow the below listed beauty tips and tricks to make the process a little uncomplicated!

**Use coconut oil** – Application of coconut oil on the skin is beneficial to combat premature ageing. The antioxidant properties of the oil make the skin glowing without leaving it too oily. Massage the scalp with coconut oil to regulate blood circulation so as to supply nutrients to hair follicles. The result is strong and shiny hair.

**Use sunscreen** – Always apply sunscreen on the neck and hands while you are applying on the face. It is these areas that show ageing first so ignoring them will lead to premature loss of youthful glow that is snatched away by the UV rays of the sun.

Remember the bottle of water spray – Dehydration is one of the chief problems the skin faces. Spray mists of different brands are available in the market. Just dab quickly on the skin surface especially when you are travelling. Get fresh and glowing skin in an instant!

**Blush is necessary** – Try applying a gel or cream based blush while applying make-

up. It will only take a minute but will leave you with a vibrant glow and healthy flush.

**Wear lip balm** – Most people suffer from dry lips. Even for those who do not, to make lipstick colour prominent, dab lip balm and wait for 10 minutes before application of lipstick or gloss. This makes the lip surface appear smooth and even.

**No need for the tinted moisturiser** – Mix small quantity of foundation in your skin cream and apply to get the same effect as a tinted moisturiser. In fact, this mixture produces better results and also saves you from investing in another skin product.]

**Pay attention to hands** – Too much work can leave your hands looking dry and lifeless. Solve this problem by rubbing lemon peel. The acidic juice of lemon may sting the dried skin, but results will be seen immediately upon application!

**Pamper your feet** – The feet are perhaps the most overstressed part of the body. Do not ignore to take care of them. Massage your feet with oil or soak them in lukewarm water for 15 minutes after walking for too long.

**Protect your nails** – Include cheese, onion, garlic and a variety of nuts like groundnut & walnut in your daily diet if you want strong good looking nails. These foods also help you to get strong shiny hair.

## Eating healthy foods

### Bananas

The list of benefits that bananas have is almost unending. They're packed with tryptophan which can help you get to sleep, carbohydrates to give you healthy, slow released energy and vitamin b6 to make hair, skin and nails healthy as well as help beat stress and anxiety.

### Salmon

Salmon is full of omega 3 oils which have a hugely positive impact on our brains. Not only do they prevent blood clots, heart attacks and dementia but they can even help treat depression, anxiety and bipolar disorder too.

### Baked Beans

Baked beans are in fact a great source of iron, calcium and protein. Yet more importantly than that they contain a lot of fibre that moves through the digestive tract and is processed by friendly bacteria in the intestines.

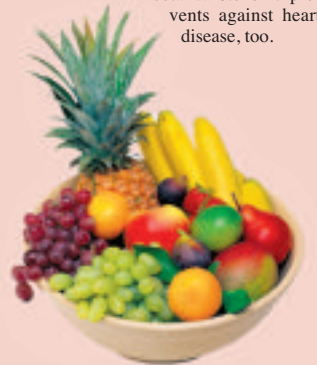

### Beetroot

Beetroot actually reduce the risk of strokes and coronary heart disease because they're full of antioxidants that reduce cholesterol. Along with broccoli they're also high in folic acid, making

them perfect to eat during pregnancy to protect the unborn child from spina bifida.

### Broccoli

Broccoli has been dubbed almost anti cancerous as it can help kill the bacteria that cause gastric ulcers and cancer and it also help process oestrogen, so the risk of breast cancer is considerably lessened. Because it's also high in potassium and beta carotene it prevents against heart disease, too.

The fruit acids in the Peel In gel, penetrate between dead cells to break the intracellular links, then Peel out moisture will gently remove them. At the end of the treatment, Clarimasque with pure Vitamin C regenerates the elastic fibres, enhancing a natural glow and lightening the skin.

## Traditional Acupuncture and Chinese Medicine

Based on medical principles which have been developed, researched and refined for over 2000 years, acupuncture is one of the fastest growing medical practices in the UK.

Acupuncture can treat a very wide range of disorders including the following:

- Musculo-skeletal pain
- Neurological disorders
- Digestive problems
- Circulatory problems (including blood pressure)
- Headaches and migraines
- Gynaecological and fertility problems, can aid IVF treatment
- Childbirth and pre-labour induction
- Poor immune systems eg hayfever.

Our body's natural balance can be upset by daily stresses, lifestyle choices and injury leading to physical and emotional symptoms. Scientists believe acupuncture works by stimulating the nervous system which activates mechanisms bringing healing to both body and mind. Acupuncture is a great way of getting well and helps maintain good health enabling you to stay well and live life to the fullest.

## Lindy Parry

I HAVE been running my private chiropody / podiatry clinics at Townsend House Surgery for over 4 years and hold clinics on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

# Carnival comes to town!

COLYTON hosted its biggest event of the year on Saturday night after a week-long build up of events.

The annual carnival procession saw hundreds line the streets to cheer on over 30 floats and walking entries.

Best Overall in Procession was given to South Brent Carnival Club for their elegant tableau "The Dove Ball", Sid Vale Carnival Club won big cheers from the crowds for their huge "Bump in the Night" float, while the Nunsford Nutters Carnival Club from Colyton won Best Local Entry.

Cousins Carnival Club from Ilminster were named Best Overall Walking Entry with "Up, Up & Away".

The procession ended a week of special events in the town, with the popular Carnival Market, an art and craft show, ploughman's lunches and afternoon teas among the activities held earlier that day.

Provisional figures show the total raised on Saturday as £7,375 (carnival market - £5,093, street collection - £1,758, ploughman's lunches - £393 and afternoon teas £131), which is up on last year's total.

Carnival committee member Caroline Collier said: "Our thanks go to everyone who has helped us through the week and everyone who has supported our events. Without this support we would not have a successful carnival."

# GAS SAFETY WEEK

**10th - 16th September 2012** Raise awareness of gas safety and the importance of taking care of your gas appliances

**P**EOPLE in Devon may be risking their lives every year unaware that they could be dealing with a potential killer.

This killer has no guns and no ammunition and does not have a criminal record, but he is the biggest threat to both your's and your families lives.

He is simply the unqualified gas fitter. The illegal tradesman who offers to either fix, fit or service your cooker, boiler or gas

fire. Because what he leaves behind could be badly fitted, faulty equipment that could kill you while you sleep..

There have been tragic stories and sad statistics about people who used an illegal tradesman which is why the industry is running Gas Safety Week from 10-16 September to make sure that the rogue traders are kept out and residents are made aware of the risk they are taking if they ignore the advice.

The message is simple: Don't let it happen to you. Always use a Gas Safe registered engineer. Make sure you check his card.

One in three of us trust a tradesman to do gas work based purely on the recommendation of a friend or neighbour without checking out their registration and qualifications first.

Remember that dangerous gas work can be deadly. Badly fitted and poorly serviced appliances can cause gas leaks, fires, explosions and carbon monoxide poisoning. Using an illegal gas fitter can end up costing you thousands of pounds to have fixed. Worst of all, it could put the lives of you, and your loved ones in danger.

It is against the law for anyone to do work on gas appliances in the United Kingdom, Isle of Man or Guernsey unless they are Gas Safe registered so if you think someone is working on gas illegally, report them to the Gas Safe Register and they will investigate.

#### How do I know if the gas fitter I'm using is illegal?

A quarter of a million illegal gas jobs are carried out each year. If your gas fitter is not Gas Safe registered then they are illegal. If your gas engineer is qualified and registered to do gas work in your home they will be able to show you their Gas Safe ID card.

Not all gas engineers are qualified to work on all types of gas appliance. Make sure you check the back of their ID card to make sure they are qualified to do the specific type of gas work you need. If they put in a gas fire for example, but they're only Gas Safe registered for pipework and boilers, they are illegal.

If they work for a Gas Safe registered firm during the week and are doing private work in their spare time on the side, they

are also illegal.

#### How do I check my engineer is on the Gas Safe Register?

All Gas Safe registered engineers carry a Gas Safe Register ID card showing the type of work they are qualified to do. Before you let your gas engineer into your home to work on your gas appliances make sure you check it.

You can also check your gas engineer is Gas Safe registered online, by texting Gas then the engineer licence number to 85080 or by calling free on 0800 408 5500.

Protecting you from unsafe gas work is a priority for Gas Safe. If you think someone is working on gas illegally, report them and they will investigate. There are more than 120,000 engineers on the Gas Safe Register. To check that they're continuing to work safely we inspect the work they've carried out. If you've had gas work done in the last six months, you can nominate it for a free gas safety inspection.

Every year thousands of people across the UK are diagnosed with carbon monoxide (CO) poisoning, which can be caused by unsafe central heating systems, gas cookers or gas fires.

That's why Gas Safety Week aims to raise awareness of gas safety and the importance of taking care of your gas appliances. Badly fitted and poorly serviced appliances can cause gas leaks, fires, explosions as well as carbon monoxide poi-

soning. Using an illegal gas fitter can put lives at risk, only a Gas Safe registered engineer should carry out gas work.

B&Q have once again pledged their support for the week and Gas Safe will hold events right across the country.

Matt Sexton, Director of Corporate Social Responsibility at B&Q says: "Gas Safety Week gives us the opportunity to put gas safety at the top of everyone's priority list. Alongside Gas Safe Register, B&Q aims to raise awareness of the importance of taking care of your gas appliances and help people to be gas safe."

## SING AND SIGN

### Sidmouth, Topsham, Honiton & Exeter

ACCORDING to Net-mums, we run The Best Pre-school Class in the Southern half of Devon! I've been running Sing and Sign for 7 years and I still love it! Bring along your little one and enjoy the fun-filled classes, along with over 120 other babies each week, right here on your doorstep!

Sing and Sign's programme teaches parents how to use baby sign language with their baby. This can help them to communicate before they can speak, relieving frustrations for both baby and parent. The parents learn the baby signs through music and songs whilst their children enjoy the props, puppets and mu-

sical instruments. Using Sing and Sign can encourage speech, enhance early vocabulary and build self esteem. Babies can start classes from around 6 months old.

Many children stay in the Sing and Sign programme for 2 years. It's

wonderful to see them progress from tiny babies to fully fledged walking, talking toddlers who still enjoy singing and signing our songs!

## COLYTON CATERPILLARS

COLYTON Caterpillars is a fully inclusive environment where children's needs are nurtured and fulfilled. Where ALL children aged 18 months to 11 years can let their imagination run wild, become independent, excited and motivated to learn. We are a group at the centre of our community, and our aim is to make everyone welcome. A place where families and carers are encouraged to be involved in all areas of their children's experience and learning outcomes.

When Caterpillars was formed in 2004 within the church grounds in Colyton, we set out with a clear vision and philosophy for our setting which is still present today. We want every child to grow as individuals, develop and explore their own ideas, express their opinions, learn through lots of play opportunities.

All our staff are highly motivated and expand their knowledge in child care through continuous training. We offer a choice of sessions over 5 days per week including our Lunch club. We also offer a shorter session for the younger two year olds to help them with the transition from Parent & Toddler to Pre-school. We also hold

on Tuesday and Friday Mornings our Parent & Toddler group 'Ducklings', it is a great place to meet families and also familiarise with the Pre-school.

We open our doors at 8am Monday to Friday until 6pm 50 weeks a year; this means we can provide longer child care provision and link in with schools for before and after school clubs. We cater for 2 to 11 years, which is a wide age range but by careful planning we can make it fun for all. The older children design their own planning for each week, choosing activities and topics they are interested in:

These can be: Arts & Crafts, Jewellery making, football, hockey, cricket, parachute games, computer games, Homework opportunities, board games (such as Jenga, Monopoly, and Scrabble etc) Every child attending these clubs will have their own scrap book to keep photos of activities they've done, stickers, pictures, football cards etc.

We will provide break-

fast in the morning with cereal, fruit, toast and juice and in the afternoon healthy snacks such as soup, toast, crumpets, fruit etc. The older children will help make the snacks can come up with different ideas.

Our play worker will oversee a lot of this provision and will be available at all times to chat about any concern you may have. The basis of the planning will be based around the 5 outcomes of Every Child Matters:

Be Healthy, Enjoy & Achieve, Stay Safe, Make a Positive Contribution, Achieve Economic Well-being

Parents are always welcome to contribute ideas or offers of help.

We will ensure that your child is taken or collected from school either by taxi or walking bus, please contact us for further details.

Children can be collected from Colyton Primary School and safely walked back to Caterpillars for the after school club.

INSPIRING WOMEN

## East Devon Women's Institutes ROUND UP

### Smeatharpe

PERHAPS inspired by Team GB's success at the London 2012 Olympic Games, August's gathering of Smeatharpe Women's Institute commenced with a rousing rendition of Jerusalem.

Following the business part of the meeting members were informed of the result of their efforts to raise money for several charities last month.

For this year's charity, St Margaret's Hospice, £400 was raised.

Pam Parry reported on the cream tea event, which had raised over £1,000 for Macmillan cancer charity.

At short notice Graham Salmon gave the ladies a talk and slide show about tulips and other bulbous flowers of Turkey.

Over several years Graham had gone to Turkey with organised groups to seek out and photograph the wild flowers in the country.

His dazzling slides showed the beautiful wild tulips growing in

rocky, mountainous regions. He was warmly thanked for steeping in at the last moments and giving such an interesting talk.

Flower of the month was won by Ann Slater, with a delightfully scented lily.

Sue Little took first place in the competition of a picture of a bird of prey.

The next meeting was due to be held on September 6th with Ten Tall Stories told by Bob Adams.

## Member's trip to Otter Nurseries

YARCOMBE Tuesday Club members met on Wednesday, July 18th in the Jubilee Hall car park where they piled into cars and drove off to Otter Nurseries for a 'behind the scenes' tour.

Members were met by Kevin Clarke who explained the massive layout of polytunnels where plants and seedlings are grown.

The shopping area is in fact a minute part of this immense business. Nearly all the plants on sale in the nursery are grown from seeds or cuttings, only those too fiddly or time consuming during their limited seasons have to be bought in while some of the more exotic are imported from overseas.

There are more growing areas, for trees, fruit trees and shrubs at various locations around the county.

The other nurseries, at Plymouth, Lymington and Torquay, are serviced from Ottery St Mary.

The business, of course, is a major employer in the area. A huge, covered two-acre area is constantly being up-

dated with seasonal items coming and going.

There is a fantastic irrigation system using water from the area to provide water to the plants as required without calling upon public supplies.

Conservation for wildlife is very apparent, with birds, insects, butterflies and bees gathering pollen and myriad small mammals and amphibians going about their business in a great environment.

There were notices at the entrances of the polytunnels warning that the removal of the netting could allow access to rabbits.

After an hour wandering and wondering at the scale of the business, it was time to repair to the restaurant where everyone was able to partake of a delicious lunch.

There was no meeting in August, but Tuesday Club members are looking forward to a meal out on September 18th, after the flower festival and all its accompanying events.

## Catenians present award for 'outstanding example' set by pupil, Philomena

AXMINSTER Catenians continue to support local Catholic schools, with its Awards of Excellence.

This year's Award winner at St Mary's School, Axminster, was presented by Catenian president Nat Bruzon to Philomena Harrison.

The award was greeted with lots of warm applause, from the children and staff, at the year-end assembly.

The Catenians present the award to the pupil who, in the opinion of the headteacher and staff of the school, has provided an outstanding example to others of all round Christian values during

their time in the school.

It is not directly related to academic or sporting achievements and is open to all pupils, including those who are not Catholics.

The award takes the form of a large multi year plaque for the school, inscribed with the winner's name, and a smaller plaque, together with a scroll, which the winner retains.

## August meeting of the Humanist group talks about 'placebo effect'

THE August meeting of the East Devon Humanist Group took place at the Senior Citizens' Centre in Axminster when Barry Zussman gave a talk on the curious case of the placebo effect.

This was followed by a lively discussion. Barry's talk was on how people sometimes report getting relief from alternative medicines or cures if they believe they will work, even if they actually have no medical basis.

It works by raising expectations in the patient which exploit prior conditioning and have been used by those wishing to make money from the gullible.

Barry went on to list the principles of good medical research where medical trials are randomised, and with large numbers and a double blind, where variables are controlled and there is statistical analysis of the results.

The next meeting of the East Devon Humanism will be on Wednesday, September 12th at the Senior Citizen's Centre in Axminster at 7.30pm.

Peter Faulkner will speak about Humanism and Religious Education. T

o find more about humanism or about the activities of East Devon Humanists, contact Ann

on 01404 46766.

Humanists are atheists and agnostics who make sense of the world using reason, experience and shared human values.

They take responsibility for their actions and base their ethics on the goals of human welfare, happiness and fulfilment.

The newly formed East Devon Humanist group is part of Devon Humanist who are affiliated to the British Humanist Association, the National Secular Society and the International Humanist and Ethical Union.

# DEVON'S NEWEST CHOIR WELCOMES ALL

DEVON'S newest choir for adults is to be established in Sidmouth this September, following on from a series of successful taster evenings held during the summer by Devon's folk arts charity Wren Music.

The Voices In Common East Devon Folk Choir will meet weekly on Wednesdays, 7.30 to 9.30pm, from September 19th, at the Stowford Community Centre, Chambers Close, Sidmouth, Devon EX10 9YL (conveniently located on a bus route directly opposite the Waitrose store at Sidmouth).

The weekly workshops will focus on finding one's own voice, freeing it up, and learning traditional, world and roots songs. All voices and all abilities are welcome, from complete beginners to seasoned singers. There are no auditions, and no prior experience of singing is necessary - just a desire to have fun with music along with other people.

Wren Music does not work within the classical format of soprano, alto, tenor and bass, and does not expect people to read music. The charity works instead with people's natural voices, and learning by ear. This approach opens singing to all - enabling anyone and everyone to take part, whatever their pitch range or

musical training.

The Choir will be led by Sarah Owen from the Wren Music team of professional singers, musicians and composers. She is an experienced vocalist, songwriter and workshop leader. At the heart of her approach is a love and fascination for the human voice, and she believes that, given the opportunity, everyone can sing. Her work ranges from teaching and leading singing with people of all ages, to crafting new songs with community groups, as well as performing at concerts and festivals around the country.

Choir membership is £70 for the 10-week term, or £35 for the half term at £35. Alternatively, weekly membership is available at £9.00 per week. There are also concessionary rates for people in receipt of income-related benefit and those in full-time education - proof of status will be required.

Further information on the Voices In Common East Devon Folk Choir is available from the Wren Music website at [www.wrenmusic.co.uk](http://www.wrenmusic.co.uk) or by calling 01837 53754.

## Hugh Warwick to give 'prickly' talk to Horticultural Society

UPLYME and Lyme Regis Horticultural Society are pleased to announce that on Wednesday, September 26th, author and leading hedgehog expert Hugh Warwick will come to Uplyme Village Hall to give and illustrated talk about his passion for these prickly beasts.

Well known for being a great help in the garden, thanks to their diet rich in slugs and snails, hedgehogs also have an important role to play in our relationship with the natural world, Hugh will argue. In fact he has gone so far as to have a hedgehog permanently tattooed upon his person (he will

reveal where, as long as he thinks the audience is up to it).

His hedgehog book, *A Prickly Affair*, was widely praised and remains possibly the only book to be published featuring commendations from both Jeanette Winterson and Ann Widdecombe on the cover. Like

his talk, it is full of fun and laughter while at the same time carrying with it a serious ecological message about the way we impact hedgehogs and the planet.

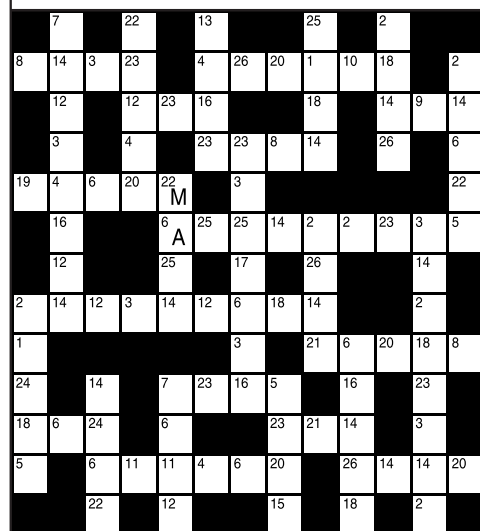

So come and join the fun at 7.30pm on Wednesday, September 26th - and find out where the tattoo is!

## BAND'S SUCCESSFUL SUMMER SEASON ENDS

THE STRAINS of 'Land of Hope and Glory' echoed across Marine Parade last week, marking the end of another very successful season of summer concerts for Lyme Regis Town Band, which this year had begun in mid-June.

The band regularly entertained large and appreciative crowds and a popular feature has again been the regular children's spot, when youngsters were invited to come forward and join them in playing a wide range of percussion instruments.

During the summer, several players on holiday in Lyme Regis joined the band for their regular concerts. They included brothers David and Richard Thomas, who play for the City of Lichfield Concert Band. Although this was Richard's first visit, David has been a regular guest player for some fourteen years. Former band member and Woodroffe headteacher Kerrigan Redman also brought his instrument with him from Yorkshire, where he now plays with the Driffield Silver Band.

As last year, raffle tickets

were sold in aid of band funds, organised by Val Mahoney, which proved popular with holidaymakers. The draw took place at the end of the final concert with prize money totalling over £300.

First prize winner was Lyme resident Bea Charlton. At last week's band rehearsal, Bea was presented with her cheque by Val and Treasurer Heather Marraner. In a spirit of generosity, Bea immediately made a donation of £50 to the band in recognition of its contribution to the local community. She was thanked by Musical Direc-

tor John Powell.

Collections have been very encouraging and will help provide the band with financial security through the winter months. Band Secretary Adrian Pearson commented, 'despite the variable weather, we have enjoyed a very good summer season, only having to cancel two concerts because of the weather'.

John Powell expressed thanks to all who had supported the band throughout the summer. Gifts were presented to regular collectors Steve Mahoney and Ralph Herbert and to Ken and Ann Courtney for sell-

ing the raffle tickets.

Following 'Land of Hope and Glory,' the audience were invited to link arms for the singing of 'Auld Lang Syne' bringing the summer season to an appropriate close. Band members now return to their regular Tuesday practices.

The Training Band has continued to rehearse throughout the summer and anyone of any age interested in joining them will be warmly welcomed. There are also vacancies for experienced players and full details can be found on the band's website.

WINNER | Bea Charlton (centre), receives her winner's cheque from Val Mahoney and Heather Marraner

# TOP STAND-UPS POETS IN BEER

A.F. Harrold and Elvis McGonagall to perform at The Dolphin Hotel

STANDUP poetry comes to East Devon, with the arrival of Elvis McGonagall and A.F. Harrold, who will perform at the Dolphin Hotel, Beer on Saturday, September 29th.

Their brand of cleverly written, hilarious poetry is a world away from the dreary stuff we might have learnt at school decades ago.

Elvis McGonagall is heard regularly on BBC Radio 4's 'Saturday Live', and comperes the infamous 'Blue Suede Sporrans Club'. His poems target politicians ('You Can Call Me Dave'), celebrity chefs ('Jamie Oliver Twist'), and Premier League footballers among many others, and he has written commissioned pieces for events as varied as the Glastonbury Festival, the World Snooker Championship and the 'Today Programme'.

A.F. Harrold has been poet in residence for Glastonbury Festival's website and Cheltenham Literary Festival's Twitter account. Author of 'Postcards from the

A.F. Harrold

ONE MAN AND HIS DOG | Elvis McGonagall and his 'Doggerel'

Hedgehog' and 'The Man Who Spent Years in the Bath', he is the owner of many books, a handful of hats, a few good ideas, and one beard. The subjects of his thoughtful, witty poems include yaks, cats, penguins, the Sitwells and George Gershwin.

Tickets (£10) are available from the Dolphin Hotel, Fore Street, Beer, telephone 01297 20068. Doors open at 7.15pm on Saturday 29th September, performance starts at 8pm. Further information from Richard Scott on 01297 24157.

## Mixing it Up

THE hottest new girl band in the country Little Mix have announced their debut UK tour for 2013. Taking in 18 venues across the UK including a debut visit at Plymouth Pavilions on Monday 11 February 2013.

Signed to Syco Music, Little Mix have wasted no time in wowing live arenas and huge crowds on The X Factor Tour, at T4 On The Beach and as special guests on JLS's 2012 summer tour, including a recent appearance at Powderham Castle, Exeter. Their debut headline tour follows the triumphant No.1 single 'Wings', which entered the top of the charts last Sunday, and their debut album, due for release in November.

Little Mix originally auditioned for the X Factor as solo performers; under the tutelage of judge and mentor Tulisa Contostavlos they joined forces to become Little Mix, X Factor's first ever victorious group. Having captured the hearts and minds of the nation with their winning chemistry, musical sensibility and breath-taking vocal prowess, the girls shot straight to No.1 with their debut single 'Cannonball'.

Built on a strident soul and r'n'b-flavoured rhythm and featuring an astonishing vocal turn from each member, 'Wings' marks Little Mix out as a truly captivating new act. The four girls - Perrie Edwards, Jesy Nelson, Leigh-Anne Pinnock and Jade Thirlwall - have taken their time working on music for their debut album and the first offering from it is a distinctive, attention-grabbing pop smash.

With the UK's music scene in need of a fresh-faced, exciting girl band, Little Mix are blessed with the tunes and

the personalities to stake their claim as the most thrilling prospect in chart music today. Don't miss seeing Little Mix live next year.

Tickets are on sale now and cost £29.50 and £19.50 (Tickets will be subject to a booking fee), and are limited to 6 per customer. Under 14s must be accompanied by an adult.

To book tickets contact the Box Office on 0845 146 1460 or visit [www.plymouthpavilions.com](http://www.plymouthpavilions.com)

## Highly acclaimed 'darkly comic' show comes to the Marine Theatre

FRESH from a four-week run at the Edinburgh Fringe Festival, Eastern Angles (in association with the Key Theatre Peterborough) present a startling new theatre piece entitled *I ♥ Peterborough*, which comes to The Marine Theatre next week.

Written and directed by Fringe First winner Joel Horwood, acclaimed for his work with the Lyric Hammersmith, nabokov and the West Yorkshire Playhouse, *I ♥ Peterborough* is a heartbroken howl about trying to work out who you are when you are stuck in a city in the Fens.

Trapped in their suburban living room with their rituals, chip sticks and rewritten memories Hew, played by Jay Taylor (Misfits, E4, A Clockwork Orange, Glasgow Citizens) and Lulu, played by Milo

Twomey (Brief Encounter, Kneehigh, Blithe Spirit, Manchester Royal Exchange, Dandy in the Underworld, Soho) are a dysfunctional double-act, born and bred in Peterborough, a sixties New Town best known for its brickworks, train station and Lovefilm.

A brilliantly chaotic and darkly comic 70-minute theatre performance - not for the faint-hearted!

Joel Horwood, wrote Eastern Angles' 2008 Edinburgh hit *I Caught Crabs in Walberswick*, which went on to receive rave national reviews at the Bush Theatre.

Following this national tour *I ♥ Peterborough* will appear at London's Soho Theatre.

See the advert below for ticket details and show times.

# Pulman's Property View

## Autumn property update

**T**HE glory days of London 2012 and Team GB have left a smile on many people's faces over the last few weeks.

I had hoped that this celebration would overflow into the property market, but things have continued to be tough and the outlook is that it will continue this way for some time to come.

The property market is still out there, it is just not as big and active as we would like and that may mean that sales may not be as easy.

However, so said, the first week of the Autumn property market since the schools have gone back has showed signs of growing optimism with new instructions and several very encouraging property sales with prospective purchasers being a little more realistic about what they can expect to get for their money.

If you would like advice about the sale of your property, or your search for a new one, please contact Tim Bennett (pictured right) of Lawrence Residential on 01297 22186.

# SPOTLIGHT ON MY SERVICE

## Head to Feet

I first started caring for peoples health in the sixties when I did my S.E.N nursing training in Sheffield.

The real introduction to Complementary Medicine was when my second child become ill, and it was only osteopathy that helped her. About the same time a friend of mine was having trouble with her back, she asked me if I could massage it for her, as I seemed to have healing hands, I was able to give her a lot of relief, being in a lot of pain at the time. I become more and more interested in Complementary Medicine and was able to help my friends and family even more.

It wasn't until we came down to live in Axminster, I was working as a Care Assistant in a Dementia Care Home, that I decided to take a course or 3 with the "School of Natural Health Sciences" in Reflexology, Advanced Reflexology", and "Indian Head Massage". I was an A student. I became a member of the "International College of Holistic Medicine". As Indian Head Massage consists also of back and shoulder massage [as well as neck head and face] with or without out oils I am able to continue with Back and Shoulder massage as a separate therapy if required. I am able to work from home including home visits, and care homes. Treatments usually last about 1hr. and includes perfumed candles and soft relaxing music.

Reflexology is massage of the body as a whole through the feet or hands. As with Indian Head Massage it relaxes and stimulates the whole body, thus allowing it to work better. Allowing me to help each client with there own individual needs.

As I am also a carer at home I have been able to realize how important these therapies can be.

## The new Peugeot 208 XY – a most luxurious 208

- 208 XY introduces a new stylish model focussed on luxury and themed colours
- Enhances the rise of desirability in top-specification models of 208
- The Geneva 208 XY Concept car becomes a production reality

EARLIER this year, Peugeot rejuvenated the supermini car segment with the launch of the 208. This new model revolutionises customer choice with its elegance, compactness, occupant space, equipment and style.

Now, further derivatives of 208 are unveiled and coming soon after the announcement of

the eagerly-awaited 208 GTi – is the new 208 XY.

The 208 XY will be a luxuriously appointed model and available in a new colour for the Marque, Purple is one of six colours available. The XY body is punctuated with chromed details, subtle touches of Purple on the Peugeot logos and the central wheel caps. The mirror casings, the fog lamp trims, the window trims and the rear skirt bead are dressed in bright chrome. On the quarter panel trim and the centre pillar, touches of gloss black complete the image.

Particularly striking and visible both by day and night is the light signature which is refined by new halogen headlamps, equipped with a latest generation light guide. These carefully designed lamps with a rectangular internal structure use LED technology for the directional indicators and daytime lighting. Tightly enclosing the main beam headlamps, the floating trim of which calls to mind a cat's pupil, they give the expression of the 208 XY with an iris.

The passenger compartment is punctuated with carefully designed components. So, the vents, the side decorations of the touchscreen, the dashboard decoration, the steering wheel insert, the seat belts, the front and rear door

crossbars all blend with the same interior ambience. The aluminium pedal bracket and footrest provide the final touch to this refined interior.

### 208 XY, urban chic and exclusive

The finely designed 17" diamond-Anthra Mercure multi-spoke wheels house in their centre an alloy wheel cap with Purple edging. At the rear, the tailgate bears the 'XY' signature logo designed with dynamic graphics. Roof decals are available for personalisation, and the 208 XY offers an identity unlike any other in this sector – high on 'Exclusivity'.

With a 'light, bright' appearance, the passenger compartment is a perfect reflection of the exterior. The materials and appearance are 'tied' together with Purple overstretching. A chrome embellishment covers the door trims, the vents and the side decorations of the screen. Enhanced by these touches, the metallic bronze dashboard brings together the touch interface and the instrument panel with a graduated bronze-black decoration.

The seats are trimmed in cloth and Alcantara. At the driver's feet, the aluminium pedal bracket and footrest are accompanied by mats of superior quality, edged with bronze cord overstretching in Purple.

This sophisticated and luxurious ambience can be personalised with a range of special trims. After choosing between the Nappa leather, in black or bronze, and the black Nappa leather combined with a padded Alcantara make-up giving an exclusive and dynamic treatment, the 208 XY is even more intensely

▲ The new Peugeot 208 XY

individual.

The passenger compartment is luxurious; ergonomic, it is fully at the service of the driver. Featuring perforated full grain leather on the small steering wheel, fingertip control fall within easy reach of the large 7" touchscreen with extended connectivity (jack socket, USB and Bluetooth) favourite music is played from a portable device by streaming and with a high level of quality, through a six-speaker system.

In addition, options include dynamic corner-

ing lighting, an optional alarm and the optional of heated seats, complements the high standard-fit equipment which features a panoramic glass roof with ambient backlighting, dual zone automatic air conditioning, speed limiter/cruise control, armrest for the front seats incorporating storage space, the list is extensive and the environment luxurious.

The 208 XY is available with a wide selection of efficient engines, enhancing the choice of performance on this model.

## Nissan Leaf owners plug into three free offers

- Free Homecharge-i electric vehicle home charging unit from Chargemaster
- Free home inspection and installation from British Gas
- Access to POLAR's expanding charging network until the end of March 2013

NISSAN is offering existing and new LEAF customers an exciting new opportunity to claim a free Chargemaster Home Charging Unit with free installation from British Gas and free access to the POLAR public charging network of 1,500 charging points, until the end of March 2013.

The offer is available to all EV customers who live in the Source London, Source East, Midlands and Milton Keynes Plugged-in Places regions.

The Chargemaster Homecharge-i charging unit provides a convenient, affordable and safe way to charge electric vehicles at home - charging around a third faster when compared to a mains supply socket[i]. The free installation includes a free home charger suitability survey, installation, testing and full instructions on use. It also comes with a one year warranty on parts and labour and a three year warranty on the charger.

As well as further reducing a 100% electric LEAF

owner's annual running costs, the offer gives owners the flexibility and freedom of charging their EV from home and while on the move with charging points positioned in key locations such as supermarkets, car parks and shopping centres in cities across the regions.

Steve McLennan, Marketing Director at Nissan Motor GB Ltd commented: "We welcome this free home charging initiative thanks to the partnership between our home charging provider British Gas and POLAR and are proud to be championing this initiative in our EV deal-

erships. We can now provide Nissan LEAF owners with a fast, convenient and safe way of charging their electric vehicle at home, as well as access to public charge points throughout the Source London, Source East, Plugged-in Midlands and Milton Keynes regions."

Nissan LEAF owners can check their eligibility at their Nissan EV dealership or online at [www.polarnetwork.com](http://www.polarnetwork.com)

## Special edition Smart shines out on style

THE exciting and enticing smart fortwo edition iceshine, the latest in a long line of limited edition smart models, is certainly one very cool car.

Available to pre-order now as a coupé or cabrio from smart retailers nationwide ahead of its October arrival, the fresh styling and extensive specification of this special smart are set to melt the hearts of motorists.

The smart fortwo edition iceshine comes in striking azure blue with a white tridion safety cell that is complemented by new 3-double-spoke, 15" white alloy wheels and white mirror caps. LED daytime running lights enhance an impressive specification that also features air conditioning, a panoramic roof (trito fabric soft top in black for the cabrio), electric windows and a luggage compartment cover.

A sporty and stylish interior includes exclusive leather-effect seats with a white fabric insert on the backrest and white stitching, a 3-spoke leather sports steering wheel with shift paddles and white stitching plus white accent parts. iceshine edition logos are incorporated into the floor mats and wing mirror triangles.

Owners can chill out on the move by listening to their favourite tunes via the smart's audio system, which offers an RDS radio with USB and AUX ports for an MP3 or CD player as well as a pair of integrated loudspeakers.

Further customisation is made possible by a huge choice of options including the smart audio system navigation/multimedia, assistance package with cruise control and trip computer, electric power steering, ambient lighting and surround sound system.

Only 155 smart fortwo edition iceshines will be available in the UK, with customers able to choose be-

tween two petrol engines – the 71 bhp (52 kW) mhd or 84 bhp (62 kW) turbo. Prices start from £10,500 on-the-road.

Gary Savage, Managing Director, Mercedes-Benz Cars, said:

"The smart fortwo edition iceshine demonstrates once again how extensively the dynamic two-seater can be customised and provides would-be owners with a car that stands out on style and on price," he added. "Customers can drive away this new smart which is packed with a huge array of additional equipment for just £250 more than a passion model."

## Emmett double fires 10-man Ax to win

**Appledore 2**  
**Axminster Town 3**  
AXMINSTER Town climbed into fourth place with a gritty performance in North Devon with two goals in the last 11 minutes from Richie Emmett securing the three points with the Tigers down to ten men.

Axminster lined up with a number of changes from the side that put in such a good second-half performance to beat Plymstock 3-1 last week due to unavailabilities and striker Sam Dibling deciding to play for Millwey Rise rather than make the long journey to Appledore.

There was little between the two sides in the opening exchanges but it was Axminster who opened the scoring after just six minutes when Johnny Hurford headed wide of the home keeper after some good work down the right from Richie Emmett.

But their lead was shortlived with The Fishermen back on equal terms within two minutes when Nick Fishwick levelled the score with a well worked goal.

The Tigers had two good chances to restore the lead when Hurford fired at the feet of the Appledore keeper and then Martin Hancock headed over the bar when well placed. Hurford also shot wide from a good position.

But as the first half progress Appledore dominated the midfield exchanges using the width of their pitch well, regaining the lead in the 41st minute when Mark Cann made it 2-1 converting a dangerous cross from the left.

Axminster considered themselves unlucky not to have gone into the break on equal terms when the referee waved play on after a goal-

mouth scramble with the visitors claiming the ball had crossed the goal line before being cleared via the underside of the bar, followed by a header from an Elliott Dyer corner being cleared off the line.

Axminster started strongly after the break and again claimed they suffered an injustice when the referee Steve Jones dismissed claims for a blatant handball.

Skipper Aaron Doble shot wide and a minute later was red carded for a double aggressive tackle but the Tigers refused to roll over despite being down to ten men.

Manager Paul Ashford brought on some fresh legs in Tom Perryman, replacing the hard working Adam Cowling.

Axminster defended stoutly as The Fishermen turned up the heat with Dyer desperately clearing his own line. Within minutes, at the other end, Dyer got the final touch in a goal-mouth scramble but didn't get sufficient contact to set up a nail-biting finish.

That honour in the end went to the live-wire Richie Emmett, whose sublime first touch was admired all afternoon. In the 79th minute he turned in a Hurford corner to make it 2-2 and then, with just six minutes of ordinary time on the clock, Emmett got the final touch in a melee of players to win the game 3-2.

The experienced Danny Galloway came on as a late sub to steady the ship as Appledore threw everything at the Axminster defence in a des-

perate effort to win a point. In the dying seconds Hurford cleared off his line and 'keeper Ashford pulled off a fantastic save to protect Axminster's third victory of the season and a top-four place.

♦ **Axminster:** Luke Ashford; Danny Beer, Martin Hancock, Wes Tarr, Elliott Dyer; Jack Knight, Aaron Doble (captain), Johnny Hurford; Richie Emmett, Adam Cowling. Subs: Tom Perryman, Danny Galloway, Terry Emmett (not used) and James Bennett (not used).

**AXMINSTER MAN OF THE MATCH: Richie Emmett.**

### Sidmouth Town 1 Crediton United 2

SIDMOUTH, looking for their first win of the season, entertained a team widely expected to be amongst the leaders this season.

United with ex-Town players Ben Ashford and Andy Thompson now playing prominent roles, started brightly. Sidmouth withstood a fair amount of early pressure and started to cause Crediton a few problems at the opposite end.

On 20 minutes Andy Lord was guilty of bringing down the United striker who was through on goal so a red card and penalty were awarded. Ally Sawyer duly dispatched the spot kick to give Crediton the lead.

Sidmouth reorganised and slowly fought their way back into the game with Mark Badcock twice going close, one chance being cleared off the line. Town were knocking on the door and in the 38th minute Nathan Brace crashed in a left foot volley to bring the scores level at half-time.

The second-half was just as closely fought

with both sides having chances in a keenly fought contest.

The Vikings were dealt a cruel blow struck United's much travelled striker O'Connor struck his shot and deflected off Darren Thomas to loop over the unfortunate Burgess to give Crediton the lead on 75 minutes.

Still the Viking spirit could not be broken and the ten men pushed forward trying to find an equaliser but to no avail.

Manager Paddy Thomas said he was proud of the whole squad, adding: "Warren Patmore, the Crediton manager, was very kind and agreed that we deserved a point. Standards have been set now and if we apply ourselves like that each week then we will pick up points.

♦ **Sidmouth:** Burgess, Lord, Raistrick, Badcock, M. Thomas, Chaplin, Brace, Fayer-Small, Baker, Allen, Badcock C. Subs: Nield, Hudson, Freeman.

**SIDMOUTH MAN OF THE MATCH: Craig Babcock**  
ON Saturday Sidmouth travel to mid-table side Exeter Civil Service.

## Six-hit Millwey crush Petherton - Late strike denies Fenny victory

### DEVON & EXETER LEAGUE

#### Round-up

NEWTOWN set the pace in the Premier division after edging newly promoted EXMOUTH AMATEURS 3-2, but the City team admit they were under great pressure at times. Jake Hobbs, Ben Howard and Luke Hunt were Newtown's scorers.

MORCHARD BISHOP wrecked champions ST MARTINS 2-1 but the Saints claim they were missing nine players. Morchard went two ahead in the second-half and held on well despite a consolation goal from Matt Anderson.

HEAVITREE SOCIAL UNITED were held to a 2-2 draw by FENITON who led twice through a Charlie Selley double. The Heavies equalised five minutes from time.

TIVERTON TOWN knocked in double figures in last weeks opening Division One game but they were held 1-1 by a battling TIPTON ST JOHN. Kevin Sexton was the Saints scorer.

WITHERIDGE top the table after beating former leaders HEAVITREE RESERVES 2-1. The Heavies scored an own goal before Jack Woodman netted the winner.

SIDBURY UNITED opened their season with a 2-0 win against CULLOMPTON who have lost both their opening matches.

TOPSHAM TOWN are the new Second Division leaders following their 4-0 win at CLYST VALLEY, and the Tops have yet to concede a goal.

COLATON RALEIGH won their derby clash with SIDMOUTH TOWN 2-1, while newly promoted BICKLEIGH were more than a handful for HONITON TOWN winning 5-2.

In Division 4 newly relegated AXMINSTER TOWN beat NEWTOWN 3-0 and are really enjoying their start to the season.

HALWILL topped the scoring chart in Division 7 with Steve Skinner getting a hat-trick in the first 15 minutes on the way to a 7-1 victory over COLATON RALEIGH.

OFFWELL RANGERS ran amok at FOLLY GATE winning 12-0 in Division 8 and the home side are really struggling to get a team together.

\* WHIPTON & PINHOE became the

fifth team to withdraw from the League since the Annual General meeting. The Whips departure means that Division Four is down to 13 teams.

A lack of players was blamed by secretary Bryan Howard, but he hopes they will be able to make a return next season.

### PERRY STREET LEAGUE

SOUTH Petherton's troubled start to the season continued as they lost for the second time in a row and had manager Gordon Childs hand in his resignation after Saturday's 6-3 defeat against MILLWEY RISE at Harry's Field.

# ON THE SPOT...

## VIEW FROM Sport puts Colyton FC's JIMMY RICHARDS UNDER THE SPOTLIGHT

**Q** How long have you been involved in the local football scene? Who have you played?

**A** I've been playing senior football for Colyton for 11 years and prior to that I played for the towns youth teams. As a Colytonian I'm proud of my association with the club.

**Q** Name the three best players you've played alongside or managed?

**A** Callum Somers - An excellent all-round player and the best I've played alongside. Nick Pritchard - A footballing centre-half who can defend hard when needed. George Moore - Signed for us a couple years back and has been one of our most consistent performers since.

**Q** What's the best away ground you've visited?

**A** My fiancée and I now live in Sidmouth, so I'll say Manstone Road. Sidmouth Town is a very well run club and boast great facilities...even though their reserve team manager is a bit of a bad influence!

**Q** Do any games stick in your memory?

**A** I'd have to say when beat Sidbury in the Grandisson Cup Final in 2009. I'd injured my hamstring a couple weeks before the final and was disappointed that I wasn't going to be available to play. However, on the eve of the match our goalkeeper fell ill and I was asked to play in goal! I can't recall making a save and it must have been an awful match to watch (it finished 0-0 and we won on penalties), but I feel that victory was the catalyst for our recent success.

**Q** How would you improve things at Colyton FC?

**A** Despite there being an association with the Youth Football Club, there's no direct link between them and the Senior Club. It would be great to see more Colyton boys coming into the senior team once they're old enough. I think this would be much more likely if the two clubs were united.

**Q** Name some young players we should look out for in the future.

**A** Theo Hill has joined us for his first year in senior football at the age of 16. He's looked excellent in pre-season and I'm sure he'll feature heavily in the first team this season. Oli Tollerfield progressed into the first team at the end of last season and will be looking to cement his spot in the side, and Jacob Young has the potential to step up as well. I should also mention my cousin, William Richards who is on the books at Exeter City. It's brilliant to have a local lad (and family member) involved in such an impressive set-up.

# Honiton lift East Devon trophy

**HONITON** with Andy Wagner

### EAST DEVON TROPHY

The B teams of East Devon played their annual matches for the East Devon Trophy at Honiton.

Due to Phil Wall's absence the home team were lead by last year's Captain Andy Harrison. Each club put out a team of 10 players who went out as four balls (one player from each competing club) with the Trophy going to the best 8 Stableford scores from

each team.

The weather was warm and the course was in good condition but scoring was hard due to the stiff wind and the very luscious rough just off the fairways.

The result looked like being tight but Honiton kept out the boys from Axe Cliff by 10pts leaving Sidmouth 3rd and East Devon 4th.

Next years game is scheduled to be played at Sidmouth.

### TUESDAY MIXED

This week the format was a Texas Scramble - played in teams of four.

It's work week at the Club so some temporary greens were in play. The winners with 57pts were the team of Andy Sharland, Club Vice-Captain (and also birthday boy) Dave Morgan, Rosemary Whiteley and Cherry Liell.

Runners-up were Stephanie and Bob Barnes playing with Carol and Alan Booth

### HENRY YOUNG SILVER SENIORS' OPEN

SIXTY Honiton Seniors entertained 120 players of a similar age in the long-standing Henry Young Silver Seniors' Open on Friday.

The popularity of the club brought players from as far afield as Weymouth, Bath and South Devon.

Due to the deluge of rain on Wednesday the organisers kept everything crossed that the competition would go ahead.

But in the event the drying day on Thursday and the skill of the greenkeepers the course was in great condition, though it was a real test from the back tees to yielding fairways.

Scores were surprisingly good with the visitors coming out on top. Enmore Park, Somerset amassed 44pts from their best score on each hole. Runners-up with 43pts Fingle Glen Bovey Tracy & Stover on countback.

Best of the home players were

**WELL DONE:** Ron Stanley and Gerry Turner with their prizes at the Axe Cliff Seniors' Invitational

**TEAMWORK:** Honiton's East Devon Trophy winners

Bob Cleal, Dave Maggs and Jim Wallis with 42pts.

### AXE CLIFF with Janet Dack

THE Seniors continued their good run in inter-club matches with two decisive 51/2-1/2. home wins in the last week.

The first was a new fixture against Exminster. Winners for Axe Cliff were John White & Neil Moorcraft, Terry Jessup & Gerry Turner, Chris Walker & Bryan Dale, Rob Heard & Bill Polley and Malcolm Glass & Gilbert Cox.

The half point was won by Jack Bannister & Peter Crosby.

The second match was the return fixture with Minehead and as the team won there in June a notable double was achieved.

Winners for Axe Cliff were John

White & John Mant, Peter Knighting & Bob Graham, Mick Tones & Hugh Willis, Jack Bannister & Bill Polley and David Bailey & Iain Bain.

The half point was won by Geoff Hubbard & Gilbert Cox.

### LADIES

On Wednesday, in glorious sunshine, the Ladies competed for the Granny and the Non-Granny Competitions combined with the MacMillan Spoon.

The winner of the Granny Bowl for the second year running was Glenda Board with Lady Captain Barbara Cummings winning the Non-Granny Bowl and the MacMillan Spoon.

Lets hope the fine weather continues as we are looking forward to our Open this Friday.

## Scrum-down rugby round-up

WITH KEITH JENKIN

# Narrow defeats for local sides

I WAS spoilt for choice as to which game to watch on Saturday last, with several of my flock having home league fixtures.

I finally opted for the game at Weymouth, the club's first outing at Southern Counties level, and was not disappointed with my choice.

Visitors Dorchester finally came out on top against the newly promoted home side by 34-15 having trailed 15-6 at the halfway stage.

The Honiton second side were left kicking their heels rather, for their opponents, Tavistock seconds withdrew late for some reason or another.

### CULLOMPTON 16 SIDMOUTH 12

FOR the second consecutive week Sidmouth came away from a game to which they had contributed considerably, with just a losing bonus point to show for their labours.

Last week I felt that they had conceded too many penalties, and had been made to pay as regards possession and territory for their errors, and had finally been edged out.

On Saturday it would appear that they had failed to turn pressure into points via the boot during the periods when they were on top and, although outscoring the home side by two tries to one, were left pondering as to just what might have been when the whistle for no side blew.

They started well enough, and opened the scoring with a try by Tom Seward, converted by Tom Whelan and, with their line-out functioning well, they edged the contest for long periods.

Cullompton were never out of contention however, and two penalties, the second on the stroke of half time, narrowed the gap to 6-7 in Sidmouth's favour at the halfway stage.

The balance shifted marginally in the home side's favour in the second half and they turned pressure into points via a dropped goal.

Then, from a scrum in the Sidmouth twenty two, the Cullompton mid field spotted a gap, went through it and touched down by the posts.

The extras were duly added and, with the scoreline now standing at 16-7, daylight had appeared between the sides.

Sidmouth were far from done however and, although they now had to score twice, they attacked and gave the home side some very real concerns. At the last they took advantage of a home handling error and lock Jack Pyne picked up and galloped over in the corner.

The try remained unconverted and, although it guaranteed Sidmouth a losing bonus point, they still remained out of penalty goal range and the home side held on for what was a narrow win.

### HONITON 17 TAVISTOCK 21

ALTHOUGH the Allhallows side played marginally better than it had during its first outing of the season, it could not quite clinch the win over a Tavistock side that was a shadow of its last season's self.

Having fallen behind to an early penalty goal the home side came back and, although it was playing up the Allhallows slope in the first-half, it took the lead with an unconverted try, touched down by Calum Hill.

It is fair to say that the game was just a little "early seasonish" with both sides making errors, and it was from on such Honiton errors that the visitors prospered around the end of the first quarter.

A dropped ball by Honiton on halfway, with an overlap beckoning, allowed a Tavistock centre to signal his thanks by gather-

ing and making the line.

The try remained unconverted but another unconverted Tavistock try followed and allowed them to turn around at 13-5 ahead.

Honiton were by no means out of it at this stage, for they would have the slope in their favour throughout the second period.

They hoisted themselves back into the contest with a good individual unconverted try by Coutts-Tucker who rounded several defenders and ran in after Canniford had put him clear following a Price peel.

Alas! His effort was nullified by a similar visitors' score after they had taken a ball against the head at a scrum.

This took them eight points clear and a further penalty goal seemingly made the result safe for them with time running out.

The last word went to the home side however.

In one final attack, Webber took the ball up, Guilbert carried the move on, and Hill was up to complete the score by diving over for his second try of the game. It was all "too little too late" as far as the win was concerned however.

Although the score had brought them a losing bonus point, they could not do more and Tavistock held on, with Honiton, at the whistle for no side, being left to ponder just what might have been.

### PREVIEW

THE leagues continue on Saturday next with the local clubs facing challenges that vary in the extreme.

SIDMOUTH, who have picked up just two losing bonus points, and one for scoring four tries thus far, in spite of contributing very considerably to the games in which they were involved, take on league newcomers NORTH DORSET.

Now, I watched the Gillingham side face Dorchester at the end of last season in the game where a win would have given them the Southern Counties League title.

They duly won but I felt that, although they slogged mightily in the traces and gave 100 per cent, they were rather one dimensional, had little penetration outside, and would struggle at the higher level.

So far this season their results have tended to confirm that opinion for they have yet to gather a league point of any sort.

I think that, while they will probably match Sidmouth in the eight, initially anyway, they will be sunk by the more penetrative home back division.

HONITON have not enjoyed either good results or good form thus far this term. They make the short journey to WELLINGTON whose workmanlike last season ended with them occupying a mid table place in the Western Counties Division.

They have not had a bad start to this campaign either and Honiton will certainly have to raise their game by a couple of notches if they are to return with anything.

As to the second sides, Honiton seconds have no game, as one of their number is involved with his nuptials, and his colleagues are attending, presumably to ensure fair play.

Sidmouth seconds will certainly find the going tough at Exmouth seconds, as will Sidmouth thirds at Exeter Saracens seconds.

### SATURDAY'S FIXTURES

Honiton v Wellington (away); Honiton 2nd v No Game; Sidmouth v North Dorset (home); Sidmouth 2nd v Exmouth 2nd (away); Sidmouth 3rd v Exeter Saracens 2nd (away).

## Cricket All Saints CC

ALL Saints signed off the 2012 season in style, beating Spaxton by 105 runs, with Fraser Wallace putting in an all-round performance including career-best bowling figures.

In glorious sunshine, Spaxton opted to bowl first, with both teams fielding 10 men. They got off to a great start, reducing Saints to 19-3, but Wallace (45) and Mike Nunns (47), in his last game as captain, battled hard to steady the ship.

They put on an outstanding partnership of 115, before both fell in quick succession attempting to push towards the 160 mark in the final 10.

In fact, they got well beyond that, as Nathan Copp came in and bashed a rapid 35 from the last four overs, helping the total to 191-7 from their 45.

The Spaxton reply got off to a bad start, as Steve Trott castled the opener first ball, before he and James Nunns caused all sorts of problems for the danger man Davey.

A tight spell from these two yielded no further wickets, but scoreboard pressure was mounting Wallace came on to bowl, he took full advantage recording incredible figures of 7-12 as the hosts were dismissed for 86.

Outgoing skipper Nunns said: "It has been a disappointing season on the whole, with a number of defeats and two ties snatched from the jaws of victory.

"But having done the double over the league champions, we know what we are capable of. There have been excellent individual performances, including 30 wickets for Fraser Wallace, but we still lack players and need a couple more cricketers in the ranks if we wish to push for promotion next year."

Nunns himself accumulated an impressive 535 runs as the team finished seventh in the Somerset League Division 8 (South).

HONITON-BASED weightlifter Chris Morgan has defended his European Deadlift Championship.

He was lifting in the European Single Event Championships which were held in Lausanne, Switzerland and made lifts of 220kg followed by 247.5kg and then 267.5kg (personal best) at a bodyweight of 81.8kg.

Speaking about the competition, Chris said: "I'm delighted to have defended my European Championship title here in Lausanne and to have broken my own personal best once again.

"After suffering a number of injuries throughout this international season it's a great relief to be moving forward again and to be making progress."

"It's a great feeling to end 2012 with all my British, European and World Championship titles intact."

# Bowls round-up Fenition miss promotion

**SEATON** with Linda Stone

THE week started with a ladies away game at Budleigh Salterton. After a close fought match Seaton won our top rink was S. Pike, A. Carter, P. Whitworth and J. Miles.

On Tuesday, September 4th, Seaton "A" won their last game of the season in the Over 60s Triples League to finish champions of Division 5.

The game was a real nail biter with Seaton "A" winning by one shot (27-26) against a Starcross B side fighting to avoid relegation. Top triple was David Ford, Keith Miles and Roger Woolland.

Also on Tuesday the ladies played a re-arranged over fifties league match against Heavitree away. Five points were achieved after a one of our triples managed to score four shots on the last end to achieve a draw while the other triple - M. Johnson, S. Fewtrell and J. Miles won 28-21 giving us an overall win.

Thursday was the last match for the ladies over 50s league against Exonia, again a re-arranged match due to rain earlier in the season. Seaton won one triple and lost the other, but gained the overall win and 4 more points. The winning triple was L. Stone, P. Whitworth and A. Mayhew.

Budleigh Salterton ladies came to Seaton on Friday to play the return match. This was reduced to triples as Budleigh were unable to raise enough ladies for a rinks match.

This was again a very close match with Budleigh eventually winning by just one shot. Seaton's top triple was L. Hurley-Smith, L. Stone and H. Smith who won 22-11.

On Friday, September 14th we will be holding our Carnival drive that had to be postponed due to rain on Bank Holiday Monday.

Any Bowlers in Seaton are welcome to join us. Casual dress and flat shoes being the order of the day.

**FENITON** with Roger Smith

THE men's over 60s A team's season ended in disappointment when they finished second on 84 points to Marina B in Division 3, but lost out on promotion on shots difference.

They had travelled to Okehampton where they achieved a creditable draw 33-33, the winning rink was R North, P Edmonds and A Evans 16-12, only to discover that, Marina B had beaten relegated Exonia B on both rinks to secure promotion.

The B team secured a mid-table finish with a comfortable 38-25 win against St

Thomas C. The winning rinks were M Evans, F Imms and D Evans 22-16 and E Goodenough, G Skinner and D Conbeer 16-9.

The mixed team suffered their first defeat for some time away at Chardstock losing by 62-77. The only winning rink was J Evans, J Wheatley, S Kury and A Kury 19-13.

This was quickly followed by another defeat by Culm Vale by 67-85. The winning rinks were F Jones, J Skinner, G Blackmore and A Evans 23-10 and N Cox, V Jones, R Smith and R Arundell 21-18.

The mixed team bounced back to form with a 89-61 home win against Bovey Trace. The winning rinks were F Jones, A Pritchard, G Skinner and J O'Sullivan 24-15, G Blackmore, J Rolph, A Smith and L Ley 24-16, S Goodenough, D Phillips, E Cox and S Kury 22-15 and N Cox, J Skinner, G Phillips and A Kury 19-15.

**HONITON** with Gordon Mahoney

After a prolonged absence, Honiton bowls club has finally returned to the media circuit.

As usual, the final two weeks of the outdoor season will be quite a hectic period. The club finals were scheduled to be played on Saturday and Sunday those results not yet being available.

Also on Sunday, Ken Large and Tony Broughton will be contesting the semi and hopefully the final of the county unbadged pairs, again the result not yet available.

Yesterday saw the intrepid Venturers depart on the annual outdoor tour, this year being a four-day trip based at Coleford, Gloucestershire.

Just a few days after their return will see the opening of the indoor green for the winter season and the strange sight of some members playing indoors while

the last of the outdoor fixtures are being fulfilled.

The club would like to take this early opportunity of welcoming both new and returning members for the indoor season as well as inviting potential members to take the opportunity to visit the club and see what facilities are on offer.

Details can be obtained from the clubhouse (telephone 01404 46168), the club secretary (01404 44977) or via the Honiton bowling club website.

The indoor season commences on Monday, September 17th and the first big fixture will be the annual no holds barred encounter between the ladies and the gents, taking place on Sunday, September 23rd - not for the squeamish!

We would like wish all our members a happy and successful indoor season and extend good wishes to our opposition wherever they appear from.

If anyone has any information they think maybe of interest please pass it on to Gordon.

**AXMINSTER** with David Harris

AT last some fine weather that has enabled us to enjoy some excellent matches.

In the mixed friendlies we started with a good 101-45 home win against the Nomads with winning rinks of Margaret Brown, Morrison Brown, John Chance, and Ann Clayton (34-10), Phil White, John Hill, Pam Clark, and David Harris (29-9), and Lilian Lovatt, Alan Brown, Brian Clark, and Marion Harris (28-9).

We then beat Lyme Regis 80-65 at home with a winning rink of Joan Quick, Alan Brown, Brian Clark, and David Harris (32-10) and a tie for Lilian Lovatt, Stephen Apsey, Pam Hunter, and Marion Harris (19-19).

This was followed by a 58-83 defeat at Ottery St Mary with Phil White, Stephen Apsey, Mary Preston, and Bob Sherborne our only winners (21-19) with Morrison Brown, Daphne Ryan, Mike Preston, and Ann Clayton managing a creditable tie (16-16).

The Ladies were unlucky to lose a tight triples friendly match 47-49 at home to Seaton with Margaret Brown, Joan Quick, and Chris Todd on good form (17-10) being our only winners.

In the Devon Over 60s League we beat high flyers Crediton 29-26 at home with William Cook, John Chance, and Bob Sherborne winning well (19-9) but came badly unstuck losing 18-53 away at Heavitree in our final League game of the season.

# Patrick tames the Welsh dragon

ftXEVALLEY RUNNERS' Juniors have now started again after the summer break and due to runners becoming seniors there are now spaces available for anyone in school years 7 to 12 to join the gang.

Please come along on Monday 15th September to have a chat and join in the run for the night, or contact Phil Bayliss, Junior coach at pjbayliss1@gmail.com.

It is difficult to convey what Patrick Devine-Wright achieved last week, taking 49 hours to finish third in a five-day, 200-mile stage race along the mountainous backbone of Wales from north to south.

The **Dragon's Back** Race had 60,000ft of ascent (that's 10 Grizzlies in distance but 20 in climb) with some very rough going such as scrambling along the Crib Goch ridge, boulder-hopping and many pathless sections. All runners had been vetted for ultra distance experience and came from all over the world including many parts of Europe, North America and New Zealand, yet only 29 of the 91 starters completed the entire route, 20 not making it to the finish, even when only running part of each day's route.

As if that wasn't tough enough, the competitors camped overnight and had to fit everything except breakfast, supper and tent into a bag with a 13kg weight limit - this had to include all of their clothing, daytime food, sleeping bag, etc for the five days.

Amy Greenhalgh was delighted with

her performance at Poole AC's **"The Beast"** 13 mile multi terrain run. She was first lady, 33rd overall in 1:37:20. Amy went out harder than she normally would because she had to slow down at a bottleneck at some steps when doing the course previously.

Once clear of the steps and realising she was in the lead, she managed to hold on to the pace and roared to vic-

tory.

The inaugural **"Beer Blazer"** runs were held in glorious sunshine with glorious hills to match, raising funds for Beer Primary School P.T.F.A. There were three races; 1 mile, 5K and 10K. Archie Snowling from Sidmouth CC won the 1 mile, with Jack Fitzgerald of Woodroffe 2nd. Jacob Clode won the 5K, AVR's Ethan Day was 2nd and Evie Morgan 3rd. Ben Franklyn was the 3rd Boy, 4th overall and

a very well done to Irene Croad, 6th in her first ever AVR race.

Sidmouth RC's Goc Milan was the 10K victor in 49:38 followed by a marauding gang of AVR's with Phil Bayliss 2nd, 49:57; Ian Apps 3rd 52:24; Myrtle Croad 4th, 52:33 and Robin Britton 5th, 54:34.

Chris Driver thought he had the beating of Eleanor Wood, but she powered past him on the last uphill to finish 1st lady, 10th overall in 56:32, with Chris 13th, 57:22.

Dave Mutter almost melted in the heat of under hooken beach, but trugged on to finish 28th, 1:04:21, just ahead of his nemesis Paul Tolchard 31st, 1:04:56. Steven Lewis was 38th, 1:06:46 and Fiona Powell 4th lady, 42nd overall in 1:08:55. Sam Toozee and Claire Moles enjoyed the run together, finishing joint 53rd, 1:17:53 with Debbie Barry 55th, 1:18:37.

Jayne Aplin and Mike Barry encouraged each other around ending up joint 62nd, 1:23:58. Alan Morbey was 64th, 1:24:21 and Dave Thomas 68th.

The race was run over Grizzly territory and it was great to see farmer Richard Dormer racing, he was 33rd in 1:05:08 and congrats to Beer Primary School head teacher Martin O'Mahony who was 23rd in 1:01:08.

Many thanks to organiser Catherine Reed of Beer Primary P.T.F.A and AVR's Richard Hale for course design and marking plus all who helped in any way to make it a fantastic experience.

### Golden Hind clinch title

GOLDEN Hind B retained the Division 1 title this week with a 3-2 win at second-placed Colyton FC.

Colyton only require a point from their final match to guarantee the runners-up spot. At the other end of the table, Kings Arms A and New Inn Flyers are looking precariously placed, and will be needing two good wins in their final matches if they are to stay up.

With the Division Two title already decided, the battle is on for second spot. A good win for Royal Clarence A this week makes them favourites with points on the board, but there are still a number of teams behind them who can pip them.

At the bottom, Golden Wonders and Lamb (mutton) will probably need good wins to escape the drop.

In Division Three, the race for top spot is still on. Kings Cavaliers have a four-point lead and are favourites, but have finished their matches for the season. Axe Cliff B would win on count-back with four points from their final game; White Hart A need a 5-0 win in the last week to overtake them.

◆ **Finally, this year's Presentation Night will be held at Eyre Court Hotel, Seaton on Tuesday, October 2nd, from 7.30pm.**

Results: **Division 1:** New Inn Flyers 3 Ship Castaways 2; Gerrard Arms B 2 Axe Cliff A 3; Kings Arms A 2 Kings & Queens 3; Colyton FC 2 Golden Hind 3; Beer Club 2 Whitford Warriors 3; Kings & Queens 2 Gerrard Arms B 3; Colyton FC 3 Kings Arms A 2.

**Division 2:** Kingfisher Rebels 1 Harbour A 4; Kingfisher A 1 Golden Wonders 4; Royal Clarence A 4 Royal Clarence B 1; Seaton Town FC A 3 Lamb (mutton) 2; Harbour A 2 Kingfisher Rebels 3.

**Division 3:** White Hart A 3 Kings Cavaliers 2; Eyre Court A 2 Seaton Town FC B 3; Lamb Visitors 4 Lamb High Flyers 1; Axe Cliff B 4 Red Balls 1.

### View From sponsor Manor Farm Hill Climb

With just two weeks to go until the Woolbridge Motor Club returns to the Manor Farm hill climb course competitors are preparing for the weekend event which comprises of two individual championship events.

These are qualifying rounds for the Bridge Tyres and Wheels Association of South West Motor Clubs and the Hamilton Classics Association of Central Southern Motor Clubs Hill Climb Championships.

This year the popular meeting, which is the final outing of the season for many drivers, is sponsored by the **Pulman's View** From newspapers group.

What is hill climbing? It takes place on a smooth sealed surface over a measured distance against the clock on a course, which as the title suggests, involves varying gradients. Cars start separately, although there may be up to three cars on the course at any one time.

A wide variety of cars compete across over twenty classes which will accommodate road-going saloons and sports cars through modified machines to rally cars, sports racing cars and single-seater racers.

Each event will comprise of two practice runs in the morning, which although timed do not count towards the results and then a further two competitive climbs following the lunch-break. The fastest of which will determine the results.

Although this is the third Woolbridge Motor Club event at Manor Farm it is only the second on the extended course which was first used last year and we will see a number of drivers seeking to improve on the new records times set in all of the classes last September.

Amongst the entries already received are Lyme Regis drivers Craig Moore in his Ford Cortina GT who will be contesting the over 1600cc division of the Rally car category and the father and son pairing of John and Paul Sullivan who will take to the track with their Westfield SEi in the 1400cc to 1800cc Road-going Specialist Production Car class.

Admission: Saturday £6. Sunday: £6. Accompanied children under 14 FREE. Car Parking FREE. Transfer to the competitor's enclosure FREE. Catering available. Location for sat Naps: DT6 6QL

For access to the Manor Farm hill climb at please leave the A35 at the eastern edge of the village and proceed west along 'The Street' following the orange 'Woolbridge' arrows which will be on the roadside verges.

## Deflection costs gutsy Vikings

SIDMOUTH Town search for their first point of the new South west Peninsula League season continues after a hard-fought 2-1 defeat at the hands of Crediton at Manstone Road on Saturday.

The Vikings were forced to play with 10 for 70 minutes of the match after defender Andy Lord was shown a straight red card after committing a 'last man' foul.

The resulting spot-kick was tucked away but Sidmouth showed great spirit to battle back and were level before the interval when Nathan Brace volleyed home.

But the game was decided by a deflected shot, a la England v Germany in Italia '90, which looped over the helpless Burgess in the Sidmouth goal.

The Vikings, currently rooted to the foot of the Division One (East) table travel to Exeter Civil Service on Saturday.

Sidmouth Reserves went down by the same score in the local derby at Colaton Raleigh. The Vikings second-string entertain Westex Rovers in Devon & Exeter League Division two on Saturday while Raleigh could go joint top with a victory over Dawlish United.

Up in the Premier a Charlie Selley double earned Feniton a useful point at Heavitree SU.

It could have been better for Fenny but for an 11th hour strike that levelled the score at 2-2.

Next up for Mark Kingdon's troops is Saturday's visit by Willand Rovers Reserves.

In division two, Sam Farmer was on target in Honiton Town's open-

ing day home defeat against Bickleigh.

The Lacemen went down 5-2 and will hope for better in their Devon Intermediate cup first round tie at home against Broadhelpston United on Saturday.

Ottery St Mary's reformation is understandably taking time to bed in. The Otters, now plying their trade in D & E division three, went down 4-3 at home against Thorverton ahead of Saturday's Devon Senior Cup tie at home against Dartmouth FC.

Down in division six Feniton Reserves hammered Langdon 6-2 with Danny Lewis (2), Louie Dyer, Jamie Brimblecombe, Mike Ebdon and Sam Bateman on target.

The Fenny second-string travel to Uplowman Athletic in round one of the Devon Intermediate cup at the weekend.

■ **GOOD CLUB:** Feniton Youth Football Club Chairman Richard Harmer (right) was presented with a special award from Devon County FA to recognise the club's work with youngsters in Feniton and the surrounding villages. He received the FA Charter Standard Community Club Runner-Up certificate at an award ceremony at Tiverton Town FC, together with a football goody bag of balls and training bibs. Feniton Youth Football Club runs nine youth teams from Under 8s to Under 16s. New players are always welcome. For more information please contact club secretary Sue Jeacock, 01404 850016.
